HarrisX American Free Enterprise Chamber of Commerce New Hampshire Voters Poll

This survey was conducted online and by telephone by HarrisX in New Hampshire from August 17-28, 2023 among 2,373 registered voters. The sampling margin of error of this survey is plus or minus 2 percentage points. Results were weighted by gender, age, race/ethnicity, income, education, and party where necessary to align them with their actual proportions in the population.

JS2PRI: How likely or unlikely are you to vote in the State primary election in 2024? (1 of 3)
